DUCKET NO. 981071

This matter is before the court upon appellant's motion to supplement the record, pursuant to Rule 11(h) of the Utah Rules of Appellate Procedure. Appellee's counsel advised the clerk telephonically that appellee does not oppose the motion.

Appellant requests that the record on appeal be supplemented with a videotape of the initial traffic stop. The videotape was submitted in support of the motion.

IT IS HEREBY ORDERED that appellant's motion to supplement the record is provisionally granted. The record on appeal shall tentatively be supplemented with the videotape submitted by appellant. The court grants the motion without prejudice to the prerogative of the panel deciding the merits of this appeal to make a final determination of whether the videotape of the initial traffic stop may properly be made a part of the record or otherwise be considered in this appeal and for what purposes.

Dated this 13th day of November, 1998.
