## Petition for Rehearing

---

Appellant Austin Walker hereby respectfully petitions the Court for a rehearing in the above entitled matter on the grounds and for the following reasons:

1. The Court erred in affirming the Judgment of the Trial Court to the effect that the deeds executed and delivered by Appellant's mother to him were obtained by undue influence;

2. The Court erred in failing to grant Appellant a new trial.

At all events the opinion of this Court fails to specify the particulars with reference to which an accounting is ordered, particularly the nature of the items for which Appellant may claim credit so that the opinion should be modified to make such matters clear and certain.

Filed herewith and incorporated herein by reference is Appellant's Brief in support of his Petition.

DATED this 12th day of May, 1966.
